Medical Caster Wheels for Hospital Furniture

Smooth, Silent & Effortless Movement
High Load-Bearing & Long-Lasting Durability

Redefining Mobility in Modern Healthcare

At Advance Medical Solution, we take pride in engineering high-quality medical caster wheels that ensure effortless mobility, safety, and stability in healthcare environments. Designed with precision and built from durable, medical-grade materials, our caster wheels deliver smooth, silent, and reliable movement for ventilator trolleys, hospital beds, and other critical medical equipment. With over three decades of manufacturing excellence, we continue to set the standard for quality, performance, and trust in medical mobility solutions.

- 🏢 30+ Years of Industry Expertise
- ⚙️ Precision-Engineered for Smooth & Silent Motion
- 🔥 High Load-Bearing Strength & Durability
- 🩸 Corrosion-Resistant & Hygienic Design
- 🔄 360° Maneuverability for Easy Handling
- 🔒 Strong Locking Mechanism for Safety
- 🛠️ Available in Custom Sizes & Finishes
- 🌍 Trusted by Leading Hospitals & OEMs Worldwide

PRODUCT TYPES

We offer a comprehensive selection of medical caster wheels designed to serve diverse hospital and laboratory needs:

- **Twin-Wheel Medical Casters – For enhanced stability and smooth rotation**
- **Stainless Steel Casters – Ideal for sterile, corrosion-free environments**
- **Antistatic Casters – Safe for sensitive medical equipment**
- **Swivel & Fixed Casters – Engineered for precision control and flexibility**
- **Brake-Equipped Casters – Secure and reliable positioning under load**

Anti Rust Single Wheel Caster Made In Nylon-6 Wheel CP/TPE/PU Break Total Lock

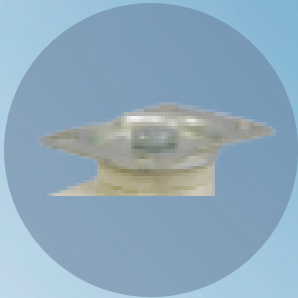

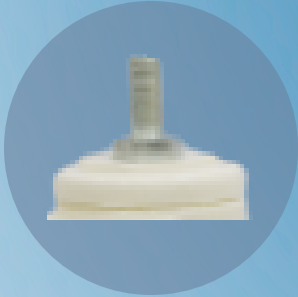

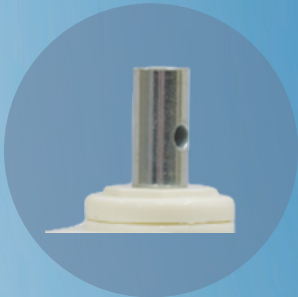

ADVANCE MEDICAL SOLUTION

MODEL - 01NBC

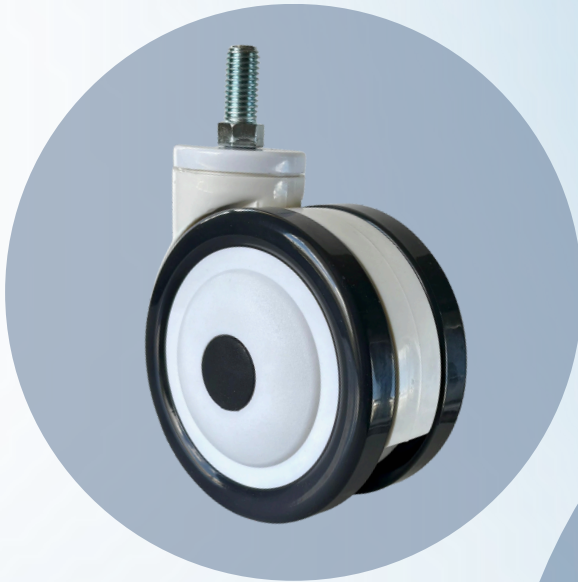

- Our MODEL 01NBC medium-duty casters are specially designed for hospital ICU beds and related accessories. Manufactured from high-grade synthetic materials, they ensure durability, smooth movement, and reliable performance in demanding medical environments.
- ⚙️ **Fittings Available:** Solid Plug or Threaded Stem options available to suit different equipment designs and mounting requirements.
 - 🔒 **Accessories:** Total Lock Mechanism offered for enhanced stability and safety during equipment operation.
 - 🎨 **Colour Options:** Available in White, Grey, or custom colours as per client specifications.
 - ⚙️ **Wheel Composition:** Wheels available in TPE and Polyurethane, featuring integrated thread guards and precision ball bearings for smooth, silent, and durable performance.

MODEL 001NBC					
WHEEL DIA	WIDTH (MM)	TOTAL HEIGHT	LOAD CAPACITY	WHEEL MATERIAL	SWIVEL RADIUS
50mm	22mm	80mm	20kg	PU/TPE	65mm
75mm	32mm	114mm	50kg	PU/TPE	115mm
100mm	32mm	137mm	60kg	PU/TPE	115mm
125mm	32mm	165mm	70kg	PU/TPE	123mm
150mm	32mm	191mm	70kg	PU/TPE	123mm

Wheel Core Made of Nylon & Bound with PVC

ADVANCE MEDICAL SOLUTION

MODEL - 02TWWP

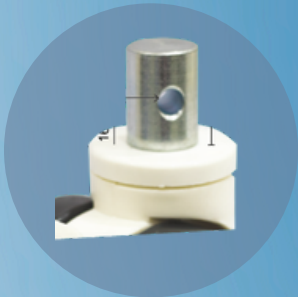

Our MODEL 02TWWP medium-duty casters are mainly used for Hospital Furniture or Trolley Accessories— Medical Application made from High Grade Synthetic Material.

⚙️ **Fittings Available:** Solid Plug or Threaded Stem options available to suit different equipment designs and mounting requirements.

🔒 **Accessories:** Total Lock Mechanism offered for enhanced stability and safety during equipment operation.

🎨 **Colour Options:** Available in White, Grey, or custom colours as per client specifications.

⚙️ **Wheel Composition:** Wheels available in Nylon 6 core & Bounded options in TPE, PU, PVC with integrated thread guards fitted with bush fitting.

MODEL 002TWWP						
WHEEL DIA	WIDTH (MM)	TOTAL HEIGHT		LOAD CAPACITY	WHEEL MATERIAL	SWIVEL RADIUS
75mm	56mm	Stam	Thread	50kg	TPU/TPVC	70mm
100mm	56mm	118	124mm	60kg	TPU/TPVC	90mm
125mm	65mm	139	145mm	70kg	TPU/TPVC	117mm

Twin Wheel Made In Nylon-6 Wheel Nylon Core TPE, Total Lock Break

ADVANCE MEDICAL SOLUTION

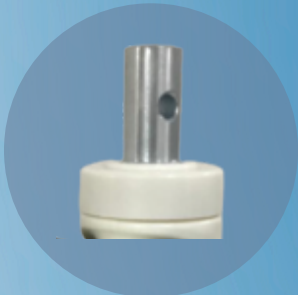

MODEL - 04TL

Our MODEL 04TL, Heavy Duty Casters are mainly used for Hospital ICU Beds, Equipment Tables, and Instrument Stands.

⚙️ **Fittings Available:** Solid Plug or Threaded Stem options available to suit different equipment designs and mounting requirements.

🔒 **Accessories:** Total Lock Mechanism offered for enhanced stability and safety during equipment operation.

⚙️ **Wheel Composition:** Wheels available in PVC or TPE & POLYURETHANE with integrated thread guards fitted with Precision Ball Bearing (6000).

MODEL 004TL					
WHEEL DIA	WIDTH (MM)	TOTAL HEIGHT	LOAD CAPACIT	WHEEL MATERIAL	SWIVEL RADIUS
75mm	55mm	95mm	40kg	TPE	82mm
100mm	70mm	117mm	50kg	TPE	109mm
125mm	83mm	144mm	70kg	TPE	127mm
150mm	97mm	175mm	80kg	TPE	136mm

Press Steel, Cover with Plastic (ABS) Housing Clump with Total Lock Unit

ADVANCE MEDICAL SOLUTION

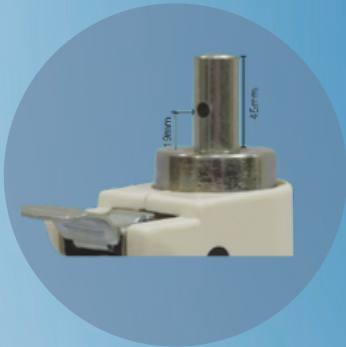

MODEL - 05MSABS

Our MODEL 05MSABS, Heavy Duty Casters are mainly used for Hospital ICU BED & Equipment Trolley, made from High Grade Synthetic Material.

⚙️ **Fittings Available:** Solid Plug or Threaded Stem options available to suit different equipment designs and mounting requirements.

🔒 **Accessories:** Made with MS Clamp Housing ABS Cover, we can also provide a Total Lock mechanism in this model.

⚙️ **Wheel Composition:** Wheels available in impact plastic core and bound CP Core, PVC or TPE, & POLYURETHANE with integrated thread guards fitted with Precision Ball Bearing.

MODEL 005MSABS				
WHEEL DIA	WIDTH (MM)	TOTAL HEIGHT	LOAD CAPACITY	SWIVEL RADIUS
75mm	28mm	112mm	50kg	102mm
100mm	28mm	137mm	60kg	102mm
125mm	32mm	170mm	100kg	108mm
150mm	32mm	125kg	125kg	108mm

MODEL - 09 Front Wheel

MS-Bracket with 32mm - Bush Type Fitting
EVA Foam Wheel with Ball Bearing (6000)
Wheel Dia 175mm x 50mm

MS-Bracket with 32mm - Bush Type Fitting
CP Core with PU & TPE with Bush Type Fitting
Wheel Dia 200mm x 25mm & 150mm x 25mm

MS-Bracket with 32mm - Bush Type Fitting
CP Core with PU & TPE with Ball Bearing (6201)
Wheel Dia 200mm x 32mm & 150mm x 32mm

MS-Bracket with Top Fitted Bearing (6204)
Available Fitting: 28mm Stem & 22mm Stem
Wheel Dia 200mm x 32mm & 150mm x 32mm

MODEL - 10 Back Wheel

EVA Form Wheel with Ball Bearing (6000)
Wheel Dia 300mm x 50 mm

Solid CP Core PU, PVC, & TPE Wheel
with Ball Bearing (6201)
Wheel Dia 300mm x 32mm & 450mm x 32mm

EVA Form Wheel with Ball Bearing (6202)
Wheel Dia 26 Inch
